Re: **Docket No. AB 1252 (Sub-No. 1X)**  
**Eastern Idaho Railroad, L.L.C.—Abandonment Exemption—**  
**in Bonneville County, Idaho**

---

Dear Ms. Brown:

Eastern Idaho Railroad, L.L.C. (“EIRR”) hereby advises the Surface Transportation Board that it is agreeable to a one-year extension of the interim trails use negotiating period as requested yesterday by the City of Idaho Falls. Indeed, as EIRR has indicated in its abandonment notice of exemption, EIRR’s sole motivation for seeking abandonment authorization in this proceeding has been to facilitate local interest in a trails use arrangement for the subject railroad line’s right-of-way. Accordingly, EIRR desires to avoid circumstances under which a trails use arrangement would be made more complex by virtue of the termination or expiration of the current notice of interim trails use.

Respectfully submitted,

/s/ *R. A. Wimbish*
